

HASEEB UL HASAN

Software Engineer / Web Developer/
IT Assistant / Desktop Support

Dear Hiring Manager,

Thank you for the opportunity to apply for the mention role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am an efficient recent university graduate (3.18 CGPA, BS Software Engineering) from International Islamic University Islamabad. During the course of my academic career, I also managed to accrue nearly 2+ years of work experience. I had the privilege of working for Cloudtek in a Frontend Developer , Asimplify in a Junior Frontend Developer and Eziline in a IT Assistant role in my free time, where I learned valuable professional skills such as Desktop Support, IT Assistant and Web development. In both my academic and professional life, I have been consistently praised as hard-working by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven interpersonal, problem-solving and teamwork skills, which I hope to leverage into the Software engineer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

HASEEB UL HASAN
